Skills

- HTML5 and CSS3
- JavaScript
- React.js
- Node.js and Express
- Tailwind CSS
- Python
- Git
- Adobe Photoshop
- SQL

Experience

HashedIn by Deloitte – SDE Intern March 2022 - Present

- Learned fundamentals of different technologies by working on hands-on projects during training track.
- That includes *Spring boot* to build backed APIs, *TypeScript* with *React.js* and basics of *Cloud* and *Docker*.

Projects

- **Google Docs Clone** (MERN stack with Web Sockets - Socket.io)
 - Created a clone of the amazing Google Docs that allows users to collaboratively work on the same document in real time.
 - Links – [Client side](#), [Server side](#) and [Deployment](#)
- **Money Matters** (HTML, CSS, JavaScript, Node.js, MySQL database)
 - A budget and expense tool built considering real-world budgeting principles.
 - Links - [GitHub](#) and [Deployment](#)
- **Portfolio Optimizer** (React.js, Tailwind CSS, Node.js and Express with Yahoo API)
 - A React.js application that takes in user's current stock portfolio and suggests a better stock allocation using Monte Carlo Algorithm. Used Chart.js for graphical representation.
 - Links – [Client side](#) and [Server side](#)
- **Movie Trailer App** (HTML, CSS and JavaScript, used MovieDB API)
 - A movie search application that displays top rated, popular movies, where user can search the movie and view its trailers.
 - This is an open-source contribution project to [Awesome-JavaScript-Projects](#)
 - Links – [Live Project](#)

Extra-curricular

HACK-ALPHA-X SUMMER CODING OLYMPICS

JULY 2021

A fast-track coding competition, with three paths (Android, Web development and Python). Participated in web development track, completed all the problems (4 applications) and secured third position.

GSSOC'21

March 2021 - May 2021

Contributed to open-source projects in Girl Script Summer of Code 2021.

ICARE – VOLUNTEER

2019 - Present

iCare is a student driven NGO where I along with others work together in spreading awareness in the society about child development, mental health, gender equality, and inspire youth to become changemakers.

ACHARYA HABBA (INTERCOLLEGIATE FEST) – VOLUNTEER

2019

I being a part of dance team planned the venue for various dance events, contacted participants, arranged funding and sponsorships, decided theme along with the teammates.

DURGA INDIA – VOLUNTEERING (TEAM LEAD)

March 2021- June 2021

Durga India is a foundation that with other individuals and communities work towards diminishing the gap between genders and make a tomorrow where women feel safe. I with the team of fifteen plan various activities.
